

12/23/19 Email:

Hello,

You are receiving this email from the Pennsylvania Department of Environmental Protection (DEP) because you have expressed interest in the Rock Hill Quarry in East Rockhill Township, Bucks County.

As of December 23, 2019, mining and related activities remain under a cessation order.

On December 23, 2019, the attached letter was sent to Hanson Aggregates acknowledging that removal of the required minimum tonnage of minerals is precluded by DEP's December 5, 2018 order ceasing mining and rock crushing activities.

On December 18, 2019, DEP sent a second letter to Hanson, reminding them of the request made on September 20, 2019 to retest samples that were previously tested using different methods than that of DEP.

Both letters will be available on the project webpage:

If you received this message from a friend and would like to be added to the list, please contact RA-EPmining@pa.gov to be added.

Thank you for your continued interest in DEP's oversight of the Rock Hill Quarry.

Sincerely,

John J. Stefanko
