Emergency Municipal Services Tax (EMST)

Affidavit for Low Income Employees

INSTRUCTIONS: To be used **ONLY** for Employees who are expected to earn less than the stated EMST exemption amount for your area. Copies of this form are acceptable if additional space or forms are needed.

You may still be subject to the tax amount due the school district, if one is in place, dependent on what the district's exemption amount is. Therefore you may only be eligible for exemption from the municipal portion of the tax. Your employer should be withholding the school district portion of the tax (maximum of \$10.00) if this is truly due. If they fail to do so, you will be billed directly for the amount due.
