**TAX APPEAL INFORMATION AND REGULATIONS**

---

The Local Taxpayer Bill of Rights requires every school district to adopt regulations concerning the form and content of petitions, as well as practice and procedure for tax appeal petitions.

This document contains the regulations required by the Bill of Rights. In addition, the Pennridge School District has published a Disclosure Statement required by the Bill of Rights.

Specific eligible taxes levied by the School District are: (1) Per Capita and (2) Occupation Millage. [The Earned Income Tax and Occupation Privilege Tax are administered by Berkheimer Associates. These regulations do not apply to the Earned Income Tax and Occupation Privilege Tax. Separate regulations relating to these taxes are available from that office.]

**TAXPAYER'S BILL OF RIGHTS DISCLOSURE STATEMENT**

Every taxpayer is obligated to pay all taxes levied by the Penridge School District to which the taxpayer is subject. When taxes are not paid or a school district has questions about whether a taxpayer has fulfilled all tax obligations, the school district has legal rights to enforce taxpayer obligations. In conjunction with taxpayer obligations and school district rights, the Commonwealth of Pennsylvania has enacted a Local Taxpayer's Bill of Rights which grants legal rights to taxpayers, and creates obligations for school districts so that equity and fairness control how school districts collect taxes. This document is the School District Disclosure Statement required by the Bill of Rights. This document is merely a summary of your rights. For a complete statement of your rights and the obligations of the School District, see 53 P.S. Subch. C.

**APPLICABILITY/ELIGIBLE TAXES**

This Disclosure Statement applies to eligible taxes levied by the School District. For this purpose, eligible taxes include any tax levied by the School District other than the Real Estate Tax. This Disclosure Statement does not apply to Real Estate Taxes. The specific eligible taxes levied by the School District are: (1) Per Capita and (2) Occupation Millage. Unless expressly provided in the Local Taxpayer's Bill of Rights, the failure of any School District representative to comply with any provision of this Disclosure Statement, related regulations or the local Taxpayer's Bill of Rights will not excuse the taxpayer from paying the taxes owed. [The Earned Income Tax and Occupation Privilege Tax are Collected and administered by Berhkeimer Associates. A separate disclosure statement relating to the Earned Income Tax and Occupation Privilege Tax is available from that office. This Disclosure Statement does not apply to the Earned Income Tax and Occupation Privilege Tax.]

**TAXPAYER RIGHTS AND SCHOOL DISTRICT OBLIGATIONS WHEN  
THE SCHOOL DISTRICT REQUESTS INFORMATION OR AUDITS  
TAXPAYER RECORDS**

**Minimum Time Period for Taxpayer Response**

- The taxpayer has 30 calendar days from the mailing date to respond to School District requests for tax information.
- Upon written request, the School District will grant reasonable time extensions for good cause.
- The School District will notify the taxpayer of the procedures to obtain an extension in its initial request for tax information.

## **Requests for Prior Year Returns**

- An initial School District request may cover only taxes required to be paid or tax returns required to be filed no more than three years prior to the mailing date of the request.
- The School District may make a subsequent request relating to other taxes or returns if, after the initial request, the School District determines that the taxpayer failed to file a tax return, under reported income, or failed to pay a tax for one or more of the tax periods covered by the initial request.

## **Use of Federal Tax Information**

- The School District may require a taxpayer to provide copies of Federal tax returns if the School District can show that the information is reasonably necessary for enforcement or collection of a tax and the information is not available from the Pennsylvania Department of Revenue or other sources.

## **TAX OVERPAYMENT REFUNDS**

A taxpayer may file a written request with the School District for a refund or credit. The filing of a written request will not preclude a taxpayer from later filing a tax appeal petition as discussed below. The request must be made within three years of the due date for filing the return or one year after payment of the tax, whichever is later. If no return is required, the request must be made within three years after the payment due date or within one year after payment, whichever is later. A tax return filed by the taxpayer showing a tax overpayment will be considered a written request for cash refund unless the return indicates otherwise. If the taxpayer pays a tax as a result of receiving a notice of underpayment, the taxpayer must file a written request for a refund within one year of the payment date. Subject to certain exceptions, the School District will pay interest, at a rate determined pursuant to State law, from the date of overpayment until the date of resolution.

## **TAX ASSESSMENT/UNDERPAYMENT/REQUIRED NOTICE**

The School district must notify the taxpayer in writing of the basis for any underpayment determined by the School District.

## **TAX APPEALS**

- To appeal a tax assessment or denial of a refund request, the taxpayer must file a Tax Appeal Petition with the Hearing Officer. The petition must be mailed or delivered to the attention of the Hearing Officer at the following address:

## **SCHOOL DISTRICT ENFORCEMENT PROCEDURES**

- Inquiry by School District to taxpayer.
- School District audit of taxpayer records.
- The School District may contact the taxpayer and attempt to resolve the liability through payment in full, an installment payment plan or compromise
- The School District may employ private collection agencies to collect the tax.

- The School District may file a lien against the taxpayer, and in some cases, against an employer or other person responsible for payment of the tax.
- The School District may attach or require an employer to make reductions in the wages or earnings of the taxpayer.
- The School District may file suit against the taxpayer before a district justice or in the County Court of Common Pleas.
- The School District may execute and attach taxpayer bank accounts, sell taxpayer vehicles, other personal property or real estate, abased on a judgment or lien obtained through legal proceedings.
- The School District may seek criminal prosecution of the taxpayer

### **TAX INFORMATION CONFIDENTIALITY**
