Dear East Rockhill Township Zoning Hearing Board,

I am writing, on behalf of Upper Bucks Christian School at 754 E. Rockhill Rd, to request party status regarding the matter of the Rockhill quarry and the applications submitted by Mr. Pierson. UBCS is on the route designated by the traffic study. Additionally we lie approximately a half-mile from the quarry "as the crow flies." We desire to present our concerns in this matter at the appropriate time.

Due to a previously-scheduled event appropriate representatives from the school are unable to be here this evening in-person. Had last Thursday's hearing taken place we could have requested party status in-person.

Thank you for considering this written request for party status in lieu of an in-person request.

Sincerely,
