New Business:

There was none.

Old Business:

Iron Bridge Park Fishing Pier Concepts: Mrs. Morano shared three concepts as prepared by Boucher and James for a potential fishing pier at the Iron Bridge Park located at 1450 Branch Road. Consensus was the fishing pier would not be utilized by fishermen or fisherwomen but would only be beneficial for handicap accessibility and young children. In place of the fishing pier clearing an area at the creek bank is a consideration. Consensus was to recommend to the Board of Supervisors Plan Option A with a T-shaped fishing pier located off of Blooming Glen Road behind the existing Bucks County Community College but to advise they did not think it would be a beneficial improvement.

Mrs. Morano updated the Board on the Run for the Rocks 5K event and there was a general community trail discussion.

PA Highland Trail Network:

There was no update. Meeting announcements are sent to all Board members through email.

Adjournment:

The meeting was adjourned at 7:55p.m.
