

DEP Information Meeting September 10, 2021

The Pennsylvania Department of Environmental Protection (DEP) held an information meeting to update local elected and appointed officials to provide the status of the Rock Hill Quarry located on North Rockhill Road since the last meeting which convened July 9, 2021.

The Rock Hill Quarry is still under a DEP cease order.

In response to DEP's elevated review technical deficiency letter dated April 12, 2021, Hanson Aggregates submitted a partial response July 6, 2021. A response to the remainder of the elevated review technical deficiency letter is due October 29, 2021. DEP continues to move forward towards a resolution.

Air quality testing is taking place to determine what is in the air when there is no activity on the site and DEP is discussing the potential for activity based air sampling.

DEP's website continues to be updated with pertinent documents including air quality testing results and site inspection reports.
