The zoning and building permit applications together with the signed site plan and construction documents is made a part of this application. The Property owner and applicant assumes the responsibility of locating all Property lines, setback lines, easements, rights-of-way, flood areas, etc. The applicant and Property owner agree they are responsible for the replacement to Township standards of any Township road or infrastructure which is damaged during the building of the permitted structure and understands that the information provided on this application by the applicant(s) and Property owner(s) is true and correct to the best of their knowledge or belief, and all information contained in this application becomes part of the public record. The applicant warrants the truthfulness of the information in the application, and that if any of the information provided is incorrect, the permit may be revoked. Furthermore, the application and permit can provide that if the permit is issued wrongfully, whether based on misinformation or an improper application of the code, the permit and certificate of occupancy may be revoked.

By signing this application, authorization is granted to any municipal representatives of East Rockhill Township to access the above Property as stated within this application at any time, without administrative warrant, to inspect and verify that any proposed use and/or structure contained within this application and/or that exists on the above Property complies with all East Rockhill Township Ordinances.
